We're glad you've decided to pursue getting involved with the Cru Music Team! As we've grown as a movement on this campus, we have had increased interest expressed in playing music at the weekly meeting. In order to really find out if this is a good fit for each interested student, we've put together this relatively short application that helps our staff and band leaders get to know you a little better. This is not a "make or break" application and no single answer will prevent you from being involved with the Cru Music Team. These answers will serve us in getting a better idea of where you might be able to fit in to the ministry. After an application has been received and reviewed, one of our band leaders will contact you to set up a time to meet up and have a VERY informal try out (don't freak out, it's really laid back).

Requirements for involvement on the Cru Music Team:

1. Regular attendance of a local church
